*"Your business is the result of so many efforts.
We help you protect it best."*

LIFE PROTECTION

RETIREMENT PLANNING

Helping your employees plan their retirement, to ensure they are well taken care of.

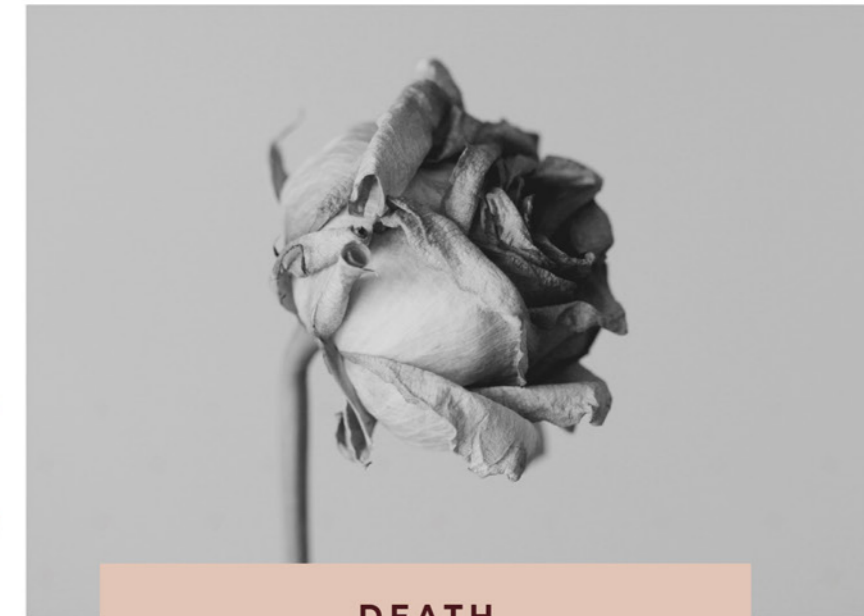

KEY PERSON PROTECTION

A payout is provided to the company, share-holders and/or investors when it faces a sudden loss or critical illnesses of the owner, director, CEO or a key executive.

CRITICAL ILLNESS

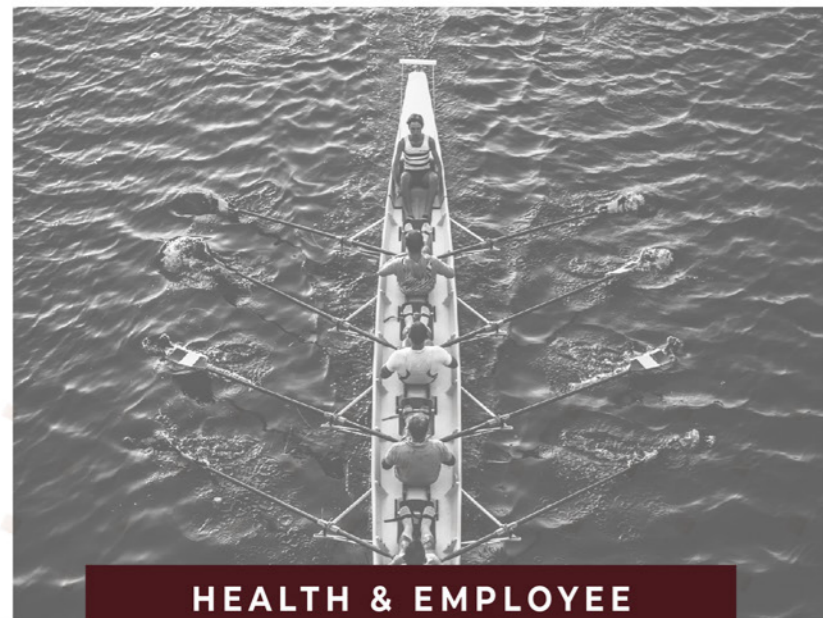

Upon diagnosis of a critical illness, the employee would receive financial support for medical treatments.

DEATH

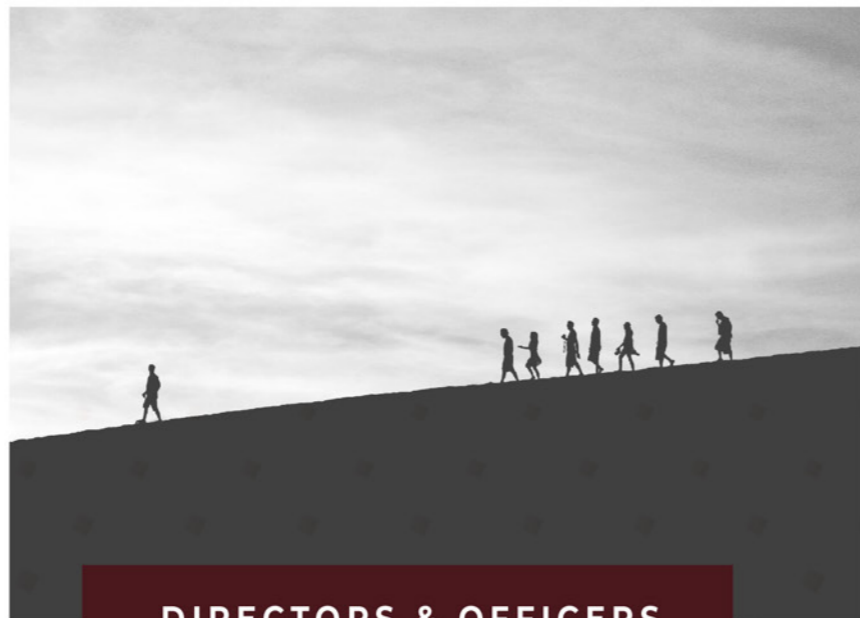

Receive a lump sum death benefit to the nominee on the demise of the insured.

GENERAL INSURANCE

HEALTH & EMPLOYEE BENEFITS

Get the most suitable insurance solutions to cover your employees' health expenses locally and/or internationally and boost the attractiveness of your company through an unparalleled experience.

DIRECTORS & OFFICERS

Indemnify directors, officers or the company for losses or defence cost in the event of a legal action against them.

PROFESSIONAL INDEMNITY

Safeguard your professional legal liability for compensation that may include legal costs and expenses incurred as a result of defending a legal suit due to error or omission.

BUSINESS LIABILITY

As a business owner or operator, you are responsible for preventing any accidental damage or injury to third parties. This is your legal liability to your customers, suppliers and the public at large.

GENERAL INSURANCE

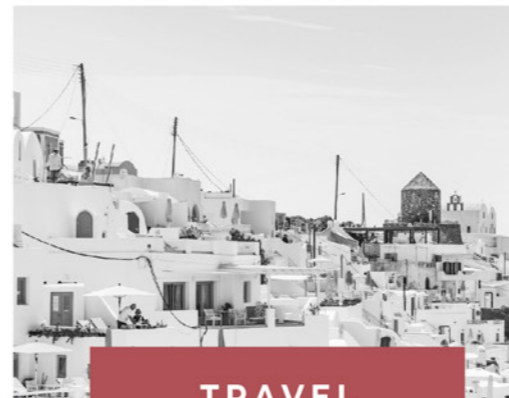

WORK INJURY COMPENSATION

The Work Injury Compensation Act (WICA) lets employees make claims for work-related injuries or diseases, without having to take legal action. This will make you compliant by setting up the appropriate insurance.

CYBER RISK

Cyber Insurance protect companies against risks related to I.T. (information technology) infrastructure, activities and liabilities which are usually excluded from the Professional Indemnity policy coverage.

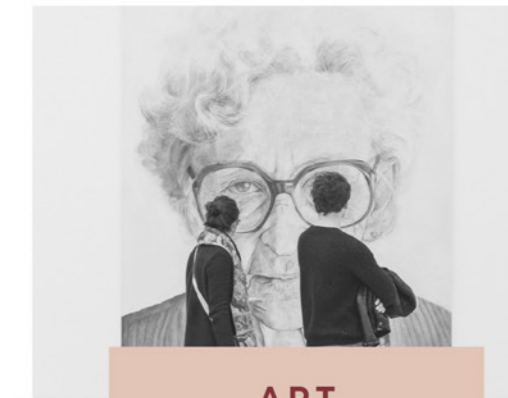

TRAVEL

Companies and their employees are faced with the possibility of incurring substantial expenses due to emergency medical evacuation, lost baggage, flight diversions and other potential difficulties.

OFFICE PROTECTION

The premises of your company are a strategic place to protect. In the event of an accident, BLACAZ. solutions for your professional offices will play a key role by contributing to a quick recovery of your commercial activity.

ART

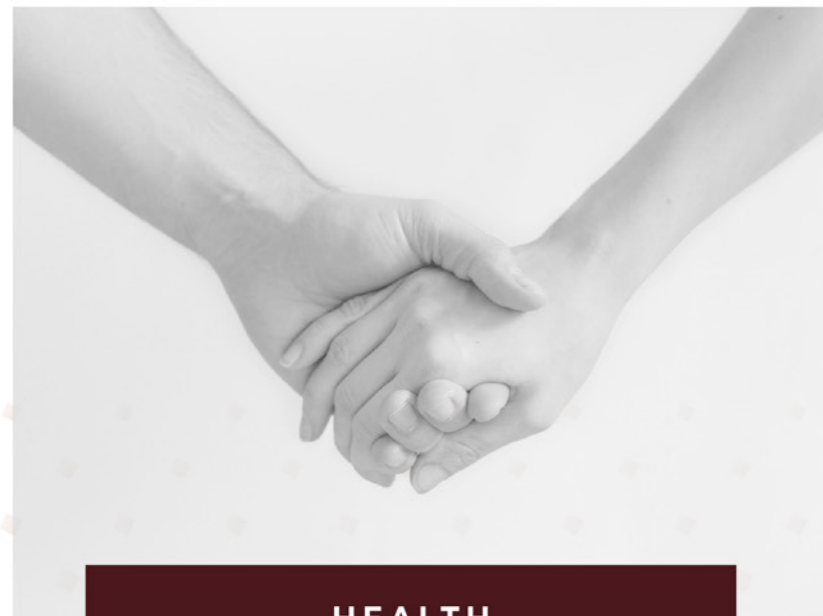

Protect your art collection by covering the losses that incur due to fire, theft or transit.
